

D. Y. Patil deemed to be University School of Ayurveda, Nerul, Navi Mumbai

➤ **About the School:**

The School of Ayurveda, (formerly known as Dr. D. Y. Patil College of Ayurveda and Research Institute) was established in 2004 as a result of the astute and visionary attitude of Hon. Dr. D.Y. Patil sir. The institute has further thrived under the leadership of new generation led by our visionary President Hon. Dr. Vijay D. Patil sir.

All teaching departments are updated with sufficient number of library books, charts, models / specimens, essential and desirable equipments, instruments & other infrastructure to conduct existing UG & PG courses. Central Library is spacious with proper ventilation and adequate light. Total 12181 books are available in which 9774 Ayurvedic books, 1790 modern books, 40 Journals, 577 other books, which is satisfactory. E-journals are also available for students & staff. Library is with e-library facility and 'SLIM 21' software. All 5 lecture halls are well equipped with latest audio visual aids like Ceiling LCD projectors, automatic screen, sound systems and WI-FI facility. Two lecture halls are equipped with air-condition facility. For Digitalization of teaching learning process, implementation of LMS is effectively working on University level as 'MyDY'. The course content are transformed into digital data comprising of Presentation, Case Study, Videos, Assignments, Question Paper, Question Bank, Discussion Forum, Reading Material, Videos.

The curriculum and syllabus for these programs is designed as per CCIM Guidelines. It is updated to ensure that students receive integrated, coherent learning experiences that contribute towards their personal, academic and professional learning and development.

As programs offered by us are practically oriented and entrepreneurship developing, they help in providing ideal atmosphere for students. It is a perfect blend of having best classroom learning as well as clinical practice of patient care. Thus, by ensuring quality and standards of institution our students get benefit of excellent Ayurveda education as well as an opportunity to remain equipped to the needs of time.

NIRF – 88th rank to University.

➤ **Infrastructure of School :**

The institution has 5 Class rooms, 1 Seminar hall, 1 Virtual Class room (provided by the University), and 1 Conference hall. All these are provided with 100% ICT enabled facilities i.e. well-equipped with LAN/Wi-Fi facilities, Computers, LCD projector, Podium-cum-PA system, etc. for providing the modern learning experience to the students.

The library is provided by free internet usage, Wi-Fi facilities for educational purpose along with good access to the computers maintaining data work, projects and research works. The library transactions are carried out through Bar Code Technology and SLIM 21 software.

Administrative section, Finance unit, Admissions of students and Examination sections are ICT supported. CCTV cameras have been installed by the institute for 24x7 campus surveillance.

Sports facilities for indoor and outdoor games as well as Gymnasium and Yoga centre facilities are available for students.

The institute has well equipped physiology, pathology and Central Research laboratory in campus where practical training of undergraduate and postgraduate is regularly conducted. The laboratories are well equipped with all essential and desirable instruments.

The institute has a well equipped teaching pharmacy with modernized high-tech machines as per GMP norms. All Types of equipment, instruments, machineries, raw drugs, store, technical and non-teaching staff, machine operator, and quality control laboratory, space & adequate infrastructure is available. The Pharmacy is equipped with High-Tech modernized Machineries like Pulveriser, Pounding Machine, Capsule filling machine etc. To ensure quality control, there is also QC section to test purity and standard of raw material and Final Products.

The institute has a well flourished herbal garden. Total area of Herbal garden is 87,120 sq.ft including Green house of 10,000 sq.ft with irrigation system and a Demonstration room. Herbal garden includes 291 medicinal plants species and Total number of medicinal plants are 3312. Apart from these, there are 2849 ornamental plants in the herbal garden and total number plants in garden are 6161. This garden is meant for demonstration purpose to the Ayurveda students-faculties and general public.

Attached to the institute, is a 152 bedded hospital with all facilities such as well-equipped Panchakarma therapy section for males and females separately & three well-equipped operation theatres. The hospital consist of total 08 O.P.D.s i.e., Kayachikitsa, Panchakarma, Shalya-Tanta, Shalakyta tantra –Netra, Shalakyta tantra - Karna, Nasa, MukhaevamDanta, Prasuti Tantra &Stree-roga, Kaumarbhritya, Swasthyarakshana& Yoga. IPD consists of separate male and female wards with sufficient light, ventilation & other facilities.

➤ **Teaching Methodology :**

Educational trips are regularly arranged by Rasashastra, Dravyaguna department. Also postmortem visits are conducted by Agadatantra department at KEM Hospital for SYBAMS to give practical exposure to the students. Museums with specimens and models with description catalogue are maintained. Computer assisted learning facilitates easy learning. Ward rounds, Clinical postings, Camps and bedside learning for final BAMS students are participatory learning. Additionally Group discussion, Case study, Clinical Meetings PG entrance guidance for internship students are conducted. Well-equipped Library with wi-fi network is available.

For Digitalization of teaching learning process, implementation of LMS is effectively working on University level as ‘MyDY’. The course content are transformed into digital data comprising

of Presentation, Case Study, Videos, Assignments, Question Paper, Question Bank, Discussion Forum, Reading Material, Videos.

The students are identified through performance in internal assessment exams as slow or advanced learners. Remedial committee conducts vacation classes for slow learners. Appropriate counseling with additional teaching eventually grooms the students. Remedial classes help in clarifying doubts. Advanced learners are offered coaching classes for PG entrance. Brainstorming sessions are conducted to improve their subject knowledge. The students are assigned mentors. Time to time Counseling and guidance is offered by these Mentors

➤ **Placements/Internships :**

All the students who have passed final year B.A.M.S. are enrolled for internship in institution's hospital i.e. D.Y. Patil Ayurvedic Hospital for 6 months & Thane civil hospital or government primary healthcare center for another 6 months.

They get training as healthcare professional under various clinical departments like surgery, medicine, ophthalmology, pediatrics, gynecology even in Ayurvedic Panchkarma at institutional hospital & at the government hospital they are trained to handle a lot more of emergency medicine & community health care.

➤ **Tie ups with Industry:**
