

TRAINING & PLACEMENT CELL

The Training and Placement cell is committed to mobilize the resources for imparting quality training to equip the student to their excellence. To make the students aware about the corporate culture and career opportunities by organizing workshops, seminars and industrial trainings by experienced personnel from the Industry. To partner with renowned organizations from the Industry and organize recruitment drives for our students within and outside the campus.

The Training and Placement Department organizes recruiting events on and off campus for large number of reputed organizations each year, including Morgan Stanley, JP Morgan Chase, Reliance Jio, TCS, Lnt Infotech, Amazon, Cisco, Bank of America, HCL Tech, Tech-Mahindra, Atos india, Indian navy, Schneider-Electric and the list is endless. The recruitment year kicks off towards the start of the final year, when companies descend upon RAIT to make pre-placement presentations about their organizations as well as to recruit the students.
