2. On multiple occasions of research and collaboration with students and faculties of D. Y. Patil deemed to be University, School of Management the experience has been good. We look forward for more achievements on a collaborative working. Our Industry -Academia relationship with the school has been pleasant and fruitful and I feel there is a lot of future scope for even better working.

3. We as an organisation Global Expo India have had the opportunity to work with the students and faculties of D.Y. Patil deemed to be University, School of Management on multiple occasions. We find the students have excellent communication and organising skills. It also gives us an opportunity to engage with young minds having vibrant ideas. They are hard working and diligent. The experience so far has always been very good. We have employed several students of DYPUSM and found them to be of great value add to our organisation. We are hopeful to on-board many more young minds of the School of Management.

4. I have had the opportunity to interact with the faculty and students of D.Y.Patil, School of Management especially with respect to start-ups and supporting them to conduct start-up competitions. It gives me immense pleasure to interact with young and enterprising students who have a go-getter attitude. The faculties have always been proactive to bring across new ideas and occasions for supporting the Entrepreneurial ecosystem via their conferences. As a mentor for Start-ups, this is highly engaging. Looking forward to taking this liaison with the Institute for many more years to come.
