

CODE OF CONDUCT FOR STUDENTS OF D.Y.PATIL SCHOOL OF MEDICINE

Dr. D.Y. Patil Medical College Founded in 1989, the Dr. D. Y. Patil Medical College was originally affiliated to the University of Mumbai and the Maharashtra University of Health Sciences, Nashik (MUHS), but now is a part of the D.Y.Patil University.

D.Y.PATIL SCHOOL OF MEDICINE

VISION: To be centre of Excellence in imparting medical education in diverse specialities and to foster an atmosphere that is conducive to quality learning.

MISSION: To provide an integral system of academic delivery that focuses on quality education, character development and superlative health care to ensure an effective and practical learning environment that is aligned with the needs of our society.

D Y PATIL HOSPITAL AND RESEARCH CENTER

VISION: To be a world class health care centre providing affordable and quality services in all medical specialities to the local, national and international communities.

MISSION: To create a top notch health care system that delivers physical, mental and spiritual health needs to all socio-economic strata, locally, nationally and globally, and also to educate and train the students to emerge as the finest medical doctor in the community.

GOAL: The Goal of the D.Y. Patil School of Medicine and Hospital is to train U.G. and P.G. Medical graduates in the field of health sciences to achieve physical, mental and spiritual health for the whole nation.

CORE VALUES :

The School of Medicine will always:

- Treat all stakeholders with respect and dignity
- Strive for excellence
- Work as one team — one vision
- Demonstrate a proactive student first and student delight
- Strive in building a spirit of trust with all stakeholders

The D.Y.Patil School of Medicine established in dedication to the people aims to impart Health Science Education, perform Scientific Research and provide quality health services.

It also aims to enable its students to acquire skills required for performing duties of a competent Medical Graduate.

Attendance at all organized academic and extracurricular activities is compulsory except for valid reasons like hospitalization/sick in quarters/duly sanctioned leave. All students will ensure that they are punctual at their places of duty.

Although a student must have a minimum of 75% attendance in order to be eligible for the University Examination as per Medical Council of India (MCI) Regulations, students are required to attend all classes except in case of the reasons detailed above.

Unethical and dishonest competition is unacceptable and unprofessional. Students must not obtain, receive, or use assistance during an examination of any kind from any source that is not authorized by faculty. This shall include, but not be limited to, the copying of answers from another student, communicating with another student in order to obtain such information, and using unauthorized notes or devices. Students must not submit a technical or written assignment that is not the work of the student. Students will adhere to rules established and made clear regarding the circumstances under which examinations of any kind will be performed

Students are not permitted to engage themselves in any activity of political nature or any party/union /organisation of any kind inside the premises of the college, the hospital or the campus.

No student is permitted to abuse, tease, manhandle or make physical assault on Faculty members, doctors, nursing staff , attenders, visitors , fellow students or any other person inside the college premises

Students are not permitted to participate in any type of strike or demonstration that would disrupt the functioning of the Medical college and hospital

No student is permitted to damage the college property of any kind or disrupt the learning and teaching activities of the college.

Use of alcohol/nicotine use at hostel or any place inside the college campus is strictly prohibited.

The consumption of any harmful, intoxicating, performance-enhancing and recreational drugs of any kind in the college is prohibited. The possession of any drug other than those prescribed by a medical practitioner, or available over the counter without prescription, is a serious violation of the law and any student found to be in possession of recreational drugs will be expeditiously reported to the Police by the College. In addition, the student will be liable for disciplinary action for bringing disrepute to the College.

Students are required to strictly follow the college dress code during the college hours inside the campus.

No student will be permitted to act against the rules and regulations mentioned in the Code of Conduct.

Any student found acting against these rules will be subjected to punishment. The Dean of the college will put forward the name of the student to the Disciplinary Committee to determine the nature of the punishment which may

include a fine, suspension from the class or expulsion from the college

Cybercrime is defined as “Offences that are committed against individuals or groups of individuals with a criminal motive to intentionally harm the reputation of the victim or cause physical or mental harm to the victim directly or indirectly, using modern telecommunication networks such as Internet (Chat rooms, emails, notice boards and groups) and mobile phones (SMS/MMS)”. Information Technology (Amendment) Act 2008 is applicable on all cases of hate mail, publishing or transmitting obscene material in electronic form, making communications that are distasteful, obscene or offensive, illegal.

The decision of the D.Y.Patil School of Medicine Executive Committee shall be the final one and cannot be challenged in any court of Law
