Dr. Richa Deshmukh:
YEAR OF PASSING: 2018

I joined the course of Occupational Therapy in October 2013 with absolutely no clue what the course was all about. Having heard about it as a medical profession, but not having a clarity of what it actually is, I believe helped me understand it better. Since the first year began with being clueless, some extra efforts needed to be put in to understand the content of the course
