1ST YEAR MSC NURSING

After Midterm exam

2ND YEAR MSC NURSING

Communication between parents and teachers is essential to student success in the classroom. As part of this communication, Dr Rita met with the parents to discuss what is being taught and how the student is progressing. Following either type of meeting, she provided the progress report that summarized what was discussed, and copies were retained as records after parent acknowledged with their signatures. Writing this in a clear, professional manner helped finalize the meeting and established mutually agreed-upon action items.
