Report of the Career Advancement scheme programs

A program on “Career opportunities in Occupational Therapy” was held on 17th May 2020 online through Zoom, by the School of Occupational Therapy, D Y Patil University.

The speaker was Dr.Aishwarya Swaminathan, Associate Professor, School of Occupational Therapy, D Y Patil University.

The programme was attended by 120 students.

OBJECTIVES

1. To guide the students about the various job opportunities available to them in different hospitals and rehabilitation centers of Mumbai
2. To educate the students about the various private sectors that employ Occupational Therapists.
3. To educate the students in salary for fresh graduates and negotiation skills

CONTENTS OF THE PROGRAMME

Dr. Aishwarya gave a presentation about the various clinics and private hospitals that have an Occupational Therapy department set up and employ them. She also guided the students on negotiation skills required and the pay scales for a newly graduated Occupational Therapist.

At the end of the session, discussions were held about how the students can work as observers in private clinics before graduating, how they can take up home visits and build contacts required to establish themselves as reputable Occupational Therapists in the healthcare set up.

OUTCOMES

1. The students learned about the various areas that an Occupational Therapist can work in the private hospitals and clinics.
2. The students learned that they could do observership before graduating to gain practical working experience.
3. The students learned about the different agencies and healthcare organizations that employ Occupational therapists.

SUGGESTIONS FROM FEEDBACK

1. According to the feedback received from the students in the future sessions, lectures on marketing and management strategies will also be held.
2. There will be separate sessions for financial management.
