DYP R. 1: DATE OF APPLICATION FOR REGISTRATION/ENROLLMENT:
A candidate seeking admission to the Ph.D./ M.Phil. program shall apply to the Director, CIDR, D Y PATIL UNIVERSITY, Navi Mumbai in the prescribed application form for registration/enrollment before 31st December, subjected to their prior selection in PET (Ph.D. Entrance test) and interview.

DYP R. 2 : ELIGIBILITY

a. Eligibility criteria for admission to the M.Phil. program:
A Candidate seeking admission to the M.Phil. program shall have a Master's degree or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

b. Eligibility criteria for admission to Ph.D. program:
Subject to the conditions stipulated in these regulations, the following persons are eligible to seek admission to the Ph.D. program:
i) Master’s Degree holders satisfying the criteria stipulated under Clause (a) above.
ii) Candidates who have cleared the M.Phil. course work with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) and successfully completed the M.Phil. degree shall be eligible to proceed to do research work leading to the Ph.D. degree at D Y PATIL UNIVERSITY, Navi Mumbai as an integrated program.
iii) A person whose M.Phil. dissertation has been evaluated and the viva voce is pending may be admitted to the Ph.D. program of the D Y PATIL UNIVERSITY, Navi Mumbai

iv) Candidates possessing a Degree considered equivalent to M.Phil. degree of an Indian institution or from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions, shall be eligible for admission to Ph.D. programme.

c. Procedure for admission:

The student will be admitted to Ph.D. program through Ph.D. entrance test (PET) at the university level. PET shall be qualifying examination with qualifying marks as 50%. The syllabus of PET shall consist of 50% of research methodology and 50% shall be subject specific. PET shall be conducted at D Y PATIL UNIVERSITY, Nerul, Navi Mumbai. The candidates who qualify the PET will proceed to interview. The candidates are required to discuss their research interest/area through a presentation before a duly constituted departmental research committee. The interview shall consider whether the candidate possesses the competence for the proposed research, the research work can be suitably undertaken at the institution or college, the proposed area of research can contribute to new/additional knowledge.

The procedure shall be as follows:

1. A candidate shall apply for admission to the Ph.D. program in the prescribed application form and shall submit to the University.
2. NOC (No Objection Certificate) letter from the Institution or Company wherever necessary.
3. The regular Ph.D. candidates will have to appear for pre-Ph.D. course examination and pass it after the date of registration, but in any case before submission of the thesis.
4. Three copies of research proposal should be submitted.
5. A copy of statement of marks (basic degree and P.G. Degree, NET/SET/GATE/J.R.F etc.)
6 Migration/Transfer Certificate is necessary.

7 The registration form duly filled in and signed along with registration fees will be forwarded to the Director, CIDR through the Head of the University Department/Principal/Dean.

8 Authenticated copy of professional experience along with copies of the published research work in the proposed area should be submitted wherever necessary.

UGC guidelines:

1. D Y PATIL UNIVERSITY, Navi Mumbai shall admit M.Phil/Ph.D. students through an Entrance Test conducted at the level of University. Those students who have qualified UGC-NET (including JRF)/UGC-CSIR NET (including JRF)/SLET/GATE/teacher fellowship holder or have passed M.Phil program shall be exempted from PET. Foreign students (with GPA converted to 55 %) are exempted from appearing for written test however they should appear for interview in person / telephonic / online.

2. All the institutions and schools of D Y PATIL UNIVERSITY shall decide on an annual basis through their academic bodies, a predetermined and manageable number of M.Phil, and/or Ph.D. scholars to be admitted depending on the number of available research supervisors and other academic and physical facilities available, keeping in mind the norms regarding the scholar-teacher ratio, laboratory, library and such other facilities;

3. PET will be notified well in advance at D Y PATIL UNIVERSITY website and through advertisement in at least two (2) national newspapers, of which at least one (1) shall be in the regional language. The number of seats for admission, subject/discipline-wise distribution of available seats, criteria for admission, the procedure for admission, examination center(s) where entrance test(s) shall be conducted and all other relevant information for the benefit of the candidates shall be printed on the advertisement.
4. PET entrance theory examination shall be followed by an interview. The successful candidates in PET test will be called for interview. The interview shall consider the following aspects, viz. whether:
   i) the candidate possesses the competence for the proposed research;
   ii) the research work can be suitably undertaken at the Institution/College;
   iii) the proposed area of research can contribute to new/additional knowledge.

**DYP R. 3 : PHD ENTRANCE TEST (PET) & INTERVIEW**

The Entrance Test will assess the depth of the candidate’s knowledge in the relevant subject. The syllabus for the Entrance Test will be based on the *compulsory papers* at the Master’s Degree Level and the *introduction of research methodology relevant to the subject*. An Entrance Test shall be qualifying with qualifying marks as 50%. The syllabus of the Entrance Test shall consist of 50% of research methodology and 50% shall be subject specific. Viii) Both examiners shall submit the marks and grades on separates sheet supplied to them. They should not enter the marks and grades on the answer book.

ix) If there is a difference of more than 2 grades between the assessment of two examiners, for example, if one examiner allot “A” grade points and the other “D” grade, the paper/dissertation shall be referred to the second external examiner appointed by the Hon. Vice Chancellor from the panel already prepared.

X) In case where the answer-book/dissertation are sent to the third examiners, the grades allotted by him and the grades closer to any one of the earlier two examiner's grades shall be considered for average grade, even if, the difference remains in their assessment.

a) The marks allotted by two examiners/experts for each paper/dissertation shall be averaged and calculated up to two decimal places.

b) Seminars will be assessed in mark (out of 50), which shall be added to the marks of the viva-voice (out of 50) for calculating the grade.

c) At the time of the consolidation, the grade-points allotted to each paper/dissertation, should be considered according to (ii), will be added together up to two decimal place and shown on the result sheet. For giving the final grade, the grade-point average shall be rounded off to the next digit if the fraction is 1/2 or more than half.

- Open Defence Viva-voce
DYP R. 9: RESEARCH ADVISORY COMMITTEE:

(RAC i.e Scrutiny committee) Research Advisory Committee and its functions:

1. Research Advisory Committee:

   There shall be a Research Advisory Committee (RAC) at the school level. Research supervisor of the scholar shall be the convener of this committee. This committee shall have the following responsibilities:

   a. To review the research proposal and finalize the topic of research.
   b. To guide the research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.
   c. To periodically review and assist in the progress of the research work of the research scholar.
   d. A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress reports shall be submitted by the Research Advisory Committee to the Director, CIDR with a copy to the research scholar.

   In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures.

   e. If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to the university with specific reasons for cancellation of the registration of the research scholar.

   f. After submission of a research proposal by a student for registration to the Ph.D. degree course, the student along with his guide should be called before an (RAC) Scrutiny Committee for oral presentation. The Scrutiny Committee will go into the details of the proposal and will instruct the student to submit the proposal or improve the proposal or resubmit the proposal for the consideration of the Committee. The quorum for the Scrutiny Committee shall be three members. In case of the resubmission of the proposal, specific written instructions should be given to the concerned candidate. Resubmitted proposal will be forwarded to the Chairman of the RAC along with his remarks to the University office.
**g.** The procedure and processing of applications will be as follows:

1) All applications will be placed before the Research Advisory Committee for provisional approval of titles of proposed research work. In case of revision recommended by the Research Advisory Committee, the concerned Dean and HOD shall approve the revised proposal.

2) After the approval of the title and synopsis by the Research Advisory Committee, the candidate will be in the first instance asked to pay the necessary fees and on receipt of fees, a provisional admission letter will be issued which will be confirmed on the fulfillment of eligibility conditions.

3) The registered students will have to make payment of necessary fees within one month of the date of registration, failing which the late fee will be imposed as under:
   
   i) Rs. 1000/- for one month delay,
   
   ii) For every additional delayed month Rs.1500/-.

4) On approval by the Research Advisory Committee, the final letter will be issued to the candidate, copy of which will be endorsed to all concerned.

5) In case of nonconfirmation of the topic by the Research Advisory Committee leading to rejection, the fees except registration fee and eligibility fees will be refunded with a deduction of 10% administrative expenses.

6) After final registration, the title along with details of the student, guide, and institute shall be announced on the web to avoid duplication.

**DYP R. 10: ETHICS COMMITTEE CLEARANCE:**

A project involving human participants or tissues or fluids should be submitted to ethics committee of the respective institutes. Similarly, projects involving animals should be presented before animal ethics committee. In such projects, research work should be initiated only after obtaining clearance from ethics committee.
**DYP R. 11: TREATMENT OF PH. D.:**
Notwithstanding anything contained in these Regulations or any other Rule or Regulation, for the time being in force, D Y PATIL UNIVERSITY shall not conduct M.Phil. and Ph.D. programs through distance education mode.

Part-time Ph.D. will be allowed provided all the conditions mentioned in the extant Ph.D. Regulations are met.

**DYP R. 12: PROGRESS REPORTS:**

Students have to submit minimum six progress reports at the interval of six months duration. Students can have a presentation of their work in front of research advisory committee. Reports of the same should be communicated to CIDR.

Each candidate shall submit to the CIDR through his guide six monthly progress reports, in a format mentioned in Annexure 4. If a candidate fails to submit two consecutive progress reports as stated above, he/she shall be asked to explain the reasons, if any, for the same within a period of one month. After one month all such cases will be placed before the RAC for its recommendations and on recommendations of the RAC, the Vice Chancellor will decide about the cancellation of registration.

**DYP R. 13: PAPER PUBLICATION & PRESENTATION:**

Ph.D. scholars must publish at least two research papers in the journals indexed in Scopus, Web of Science, Pub-med and UGC-CARE. The research papers published in the predatory journals will not be accepted. The Ph.D. scholar should have minimum two oral/posters presentations in conferences/seminars before the submission of the dissertation/thesis for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints.

**DYP R. 14: SYNOPSIS SUBMISSION:**

At the end of three years candidate shall give a presentation of their work in front of research advisory committee. The work will be followed by submission of synopsis to CIDR. Three copies of synopsis should be submitted to CIDR through the guide, HOD and head of an institution with recommendations from research advisory committee. All the copies should be submitted to CIDR.
Change in Title:
A candidate may be allowed to change the title of his/her research work subject to approval by the research advisor committee and provided he/she applies for the change at least six months before the anticipated date of submission of his/her thesis or earlier. The candidate shall submit his application duly recommended by the guide, through the concerned H.O.D. If the change involves an altogether different topic from what was registered, the candidate shall not be allowed submission of his thesis unless he/she works for four more terms i.e. minimum prescribed period of Ph.D. study from the date of permission.

Change of Guide
A candidate may be permitted by the Research Advisory Committee to change his guide provided he/she applies for the change and the application for change is consented by both the guides i.e. present and proposed. In case of dispute Vice - Chancellor's decision will be final.

DYP R. 15 : APPOINTMENT OF REFEREE:
- Research guide/HOD/HOI will suggest and forward the list of four referees.
- Two of them should be from Maharashtra.
- And remaining two from out of Maharashtra.
- Contact details of the referee shall be shared with CIDR office on Annexure 9.
- Hon’ble Vice Chancellor will select two of them for further evaluation. Synopsis shall be forwarded to the selected referees for further evaluation. (Work will be done by CIDR office)
- The external referees should communicate their willingness or otherwise to evaluate the Ph.D. thesis within one month of the receipt of University letter.
- External referees should submit their evaluation reports within one month of the receipt of the thesis in the prescribed proforma as mentioned in Annexure 13 along with a detailed report.
DYP R. 16 : FINAL THESIS SUBMISSION:

2. A candidate may submit his thesis any time during the year, after the completion of the minimum prescribed period of Three years with completion of Pre - Ph. D. theory course work.

A candidate has to submit 3 hard copies of the thesis and soft copies in 1 CD along with a certificate signed by the Supervisor and attested by the Head of the Department through CIDR to the Controller of Examination. (Extra copies if required by student can be kept with school)

The procedure for appointment of examiners will be undertaken soon after the candidate submit his/her synopsis and pays the necessary deposit. In case the candidate does not submit his/her thesis within a period of six months the deposit will stand forfeited and he/she will have to pay a fine of Rs. 500/- per month of submission. The panel of examiners recommended will be valid for one year only.

**C) The unanimous opinion of the external referees shall be accepted by the Vice-Chancellor.**

The decision shall be in accordance with the opinions of the majority of external referees. In the event of rejection by one external referee, next external referee shall be appointed by the Vice-Chancellor. If revision of the thesis is suggested by one of the external referees, the thesis shall be revised by the candidate for resubmission as suggested by the referee. The revised thesis shall be sent to the same referee (who has suggested the revision) for evaluation. If revision of the thesis is suggested by both the external referees, thesis is considered for resubmission provided that the following conditions are fulfilled.

Thesis rejected by all the external referees will not be considered for resubmission:
a) Half the tuition fee should be paid by the candidate for resubmitting the thesis after revision along with examination fee.

b) Full laboratory and examination fees should be paid by the candidates for carrying out research in the University Departments for revision of thesis.

c) The revised thesis will have to be submitted by the candidate within the maximum period of two years.

d) The revised thesis shall be sent to the same referees for evaluation along with both the previous reports.

**DYP R. 17 : OPEN DEFENSE AND VIVA VOCE:**

- There shall be a viva-voce with Open Defense System.
- An open defense shall be conducted only after receiving positive reports from the referees.
- Internal referee (Ph.D. guide) and one external referee shall conduct the Viva Voce of the candidate.
- The subject expert or faculty nominated by Hon’ble Vice Chancellor shall act as a Chairperson. (The Head of the Department or the Dean of the concerned faculty or the senior teacher in the subject concerned nominated by the Vice - Chancellor shall act as a Chairperson for the open defense.)
- Remaining external referees can forward their concerns or queries to the selected referees for further discussion at the time of viva-voce i.e. other external referee may send questions in writing to the referees attending the viva - voce to seek clarification on any point in the thesis. However, queries raised by the external referees in their reports should be placed before the viva-voce.
- A chairperson, an external referee, and internal referee shall prepare a joint report of open defense and forward it through CIDR to Hon’ble Vice Chancellor and COE office.
- The recommendations shall be specific and final.
- They shall recommend either the award of the degree to the candidate or a fresh open defense within six months if the performance of the candidate is unsatisfactory.

**DYP R. 18 : DECLARATION OF RESULT:**

- The date of viva voce would be considered to be the date of declaration of result.
On the final approval of the Hon’ble Vice Chancellor, the COE shall declare the result after the fulfillment of all the conditions.

**DYP R. 19: DEPOSITORY WITH INFLIBNET**

Following the successful completion of the evaluation process and before the announcement of the award of Ph.D. degree(s), the Institution concerned shall submit an electronic copy of the Ph. D. thesis to the INFLIBNET, for hosting the same so as to make it accessible to all Institutions/Colleges.
